Lenovo YOGA Tablet 2

POSITIONING STATEMENT

The YOGA Tablet 2 combines design innovation with enhanced technology features to deliver a premium convertible entertainment device. Built to adapt to a user no matter where they go, the tablet's redesigned kickstand now rotates nearly 180° to offer a brand-new mode – *Hang* – for a completely hands-free, interactive experience in the kitchen, on a plane or at the gym. The YOGA Tablet 2 is also equipped with twin large-chamber front-facing Dolby® Audio speakers, a Full HD display and a powerful Intel® Atom™ quad core processor to deliver a superior multimedia experience with the same extensive 18-hour battery life that ultra-mobile users have come to know and love.

KEY FEATURES

- Unique convertible design features all-new *Hang* mode for a hands-free experience
- Option of two tablet sizes: 8-inch or 10-inch IPS display with latest Android operating system
- Enhanced 8MP rear camera with Auto-focus, glare-reducing glass and an advanced BSI-2 sensor to provide more lifelike color and reduce flare in bright-light areas
- Intel® Burst technology monitors user activity and matches processing power accordingly to maximize battery life while enabling faster wake-from-sleep and file, photo and app access
- Optional accessories include a Bluetooth® AccuType keyboard cover (for the 10-inch model) that increases tablet functionality and user productivity
- Extended battery life with up to 18 hours on a single charge
